The Registers of Almer from 1538 to 1812 consist of three volumes.

Volume I is of parchment and bound in the same material, and measures  $7\frac{1}{2}$  inches by  $10\frac{1}{4}$  inches. The Baptisms commence in 1538 and run to 1693, pages 1 to 30, where three pages are cut out. Marriages commence in 1538 to 1688, pages 31 to 44, where the bottom of the page is cut off. Burials commence 1538 to 1694, pages 45 to 68. From pages 69 to 71 the entries are mixed and extend from 1695 to about 1702. Pages 72 and 73 are blank, and it would seem that several pages are cut out here. Whether these pages contained the years 1702 to 1730 (which are now missing) it is impossible to say, very likely they did.

Volume II is also of parchment, but is bound in calf. It measures 8 inches by  $13\frac{1}{2}$  inches, and contains, pages 1 to 3, Marriages from 1731 to 1753; Baptisms, pages 19 to 44, from 1731 to 1791, continued on pages 4 to 14, from 1792 to 1812; the Burials, pages 45 to 62, from 1731 to 1803, continued on pages 17 and 18, from 1803 to 1812, continued on page 16 for remainder of 1812.

Volume III is likewise of parchment, bound in calf, with a label on outside, lettered ALMER. It measures  $10\frac{1}{2}$  inches by  $13\frac{1}{4}$  inches, and contains, pages 1 to 13, Marriages, 1754 to 1811.

The following notes on the Rectors have kindly been supplied by Rev. Canon Mayo, and supplement the list given in Hutchins' *History of Dorset*, Vol. III, 496.

## REPORT FOR 1905 AND 1906.

---

The period covered by this Report covers the years 1905 and 1906, during which time we have to record the deaths of two of the founders of the Parish Register Society, namely, Dr. G. W. Marshall and the President, the Earl of Liverpool. All the Subscribers will, we are sure, regret the loss of these two gentlemen, who had taken such an interest in the Society, and by their influence had assisted in many ways the objects we have in view.

Annexed are the cash accounts for the years 1905 and 1906, which are fairly satisfactory.

During these years the following Registers have been issued to the Subscribers:—

For 1905—STRATFORD-ON-AVON (Burials) - *Warwick.*

HASLEMERE - - *Surrey.*

For 1906—FARNHAM - - - *Yorkshire.*

SELATTYN - - - *Shropshire.*

It is intended to issue in 1907 the Registers of—

ALMER - - - *Dorset.*

BRUTON - - - *Somerset.*

It is well to remind Subscribers that only a limited number of copies of the Registers is printed for the Society, and that therefore there will be no remainders to throw on the market to get into second-hand booksellers' catalogues at give-away prices. As a matter of fact the first year's issue of Volumes I. to V. is entirely out of print, and those who have the set should on no account part with them.

E. A. FRY,  
*Hon. Secretary.*

Issued by the Committee of Parish Registers,

By Authority of the WORCESTER DIOCESAN CONFERENCE.

This Digest has been prepared under the direction of a Committee appointed at the Diocesan Conference, held at Birmingham, in 1896, and has been completed from the original Returns supplied by the Incumbents of the Parishes within the Diocese. The dates when each Volume of Registers commence and end, the number of leaves, material on which they are written, and the size and general condition, are all clearly stated under each parish.

Added to all this useful information, is a table showing for what years in every parish the Bishops Transcripts, previous to 1700, are now in existence in Edgar Tower, Worcester.
